

Information on Delaware's new fishing license for fresh and tidal waters, crabbing and clamming

Where to send visitors looking for information on new licenses?

The Division of Fish and Wildlife provides constituents with several options to obtain a license.

- (1) Licenses can be purchased at the DNREC-Division of Fish and Wildlife Licensing Office located in the Richardson Robinson Building, 89 Kings Highway, Dover, DE 19901
- (2) Customers may purchase their license by mail to the address above or by phoning our office at (302)739-9918
- (3) Customers can purchase their license from their home at our internet site: <https://egov.dnrec.state.de.us/egovpublic/dnrec/dispatch?doc=LoginScreen&dept=5>
- (4) Delaware has numerous Licensing Agents statewide and in Maryland for conveniently purchasing a license at local stores. For the most recent listing of these agents, please refer to our website listing: <http://www.fw.delaware.gov/Info/LicenseAgents.htm>

Who to contact to purchase a license?

- (1) Customers may contact our office by mail or phone:
DNREC-Division of Fish and Wildlife
89 Kings Highway
Dover, DE 19901
(302)739-9918
- (2) Customers may also visit any of our statewide Licensing Agents (<http://www.fw.delaware.gov/Info/LicenseAgents.htm>)

License requirements / Price range / Any other information that is pertinent to non-residents who plan to fish/crab during their vacation.

The Division of Fish and Wildlife has the licensing requirements, pricing chart, and frequently asked questions on our website. Please reference this information at <http://www.fw.delaware.gov/Services/New+fishing+license.htm>.
